I understand the role of the *Roundup Wranglers* is to support the Cle Elum Roundup Association Board of Directors to put on the Cle Elum Roundup on the last weekend in July. I understand this is a 2 year term commitment and I will be asked to participate in committee meetings throughout the year. I agree to use my skills & talents to help with the committee and responsibilities that I am assigned. Roundup Wrangler membership is subject to approval by the Cle Elum Roundup Association Board of Directors.
